Subject: *Study to Assess the Impact of Foreign Collaborations on Indian Automotive and Drug & Pharma Industries in the Liberalized Era.*

Dear Sir,

The National Science & Technology Management Information System (NSTMIS), Department of Science & Technology (DST), Ministry of Science a Technology, Government of India has sponsored the above study to National Foundation of Indian Engineers (NAFEN), New Delhi, with the following objective:-

"To assess the impact of foreign collaborations on Indian Automotive and Drug & Pharma Industries in the Liberalized Era".

NAFEN is conducting the above study at national level through structured questionnaire. We enclose herewith the questionnaire with a request to fill in the same and return to us positively by **15th November, 2008.**

We also wish to inform you that the information furnished by you will be used only for planning and decision making exercises. No inter organization comparisons will be carried out. The finding of the study will be of immense use to various Government Agencies and Industry including policy planners and decision makers.

Authority letter issued by the Ministry is also attached through link for your immediate reference. Your cooperation for sending us the information as per the questionnaire within the date mentioned above will be of great help to us in completing the study in time.

Thanking you for your kind cooperation.

With regards,

Yours sincerely,

DR. P.K. GUPTA

Project Investigator & Secretary General, NAFEN
